### REASONS FOR ALLOWANCE

Claims 2, 5 and 7 – 9 are allowable. The following is an examiner's statement of reasons for allowance:

With regards to claim 5, the examiner's search does not show any applicable prior art and / or suggestions disclosing the capability of examining the detectors and classifiers of the various recipes, determining similarities of wood type defects of such various recipes as compared to a decorative wood panel type for which a recipe is not created and selecting desired ones of said detectors and classifiers for custom creating a new recipe for said decorative wood type in combination with the rest of the limitations of claim 5.

With regards to claim 8, the examiner's search does not show any applicable prior art and / or suggestions disclosing each panel includes decorative wood laminates at opposed sides of said panels, and both sides being photographically scanned and thereby producing *dual images* for each panel, said *assignment of grade levels applicable to the two sides independently* in combination with the rest of the limitations of claim 8.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
